Water Inlet Pipe Thread	NPT
Handle(s) Included	Yes
Number of Faucet Handles	Twin
Number of Handles	2

Number of Shower Heads	2
Swivel Spout	Yes
Handle Style	Lever
Water Filtration	Yes
Finish	Matte Black
Shower Head Type	Adjustable Shower Head; Handheld Shower Head
Plating Material	Chrome
Valve Cartridge Included	Yes
Diverter Valve Included	Yes

Assembly

Mounting / Installation Type	Wall
Installation Required	Yes

Product Dimensions

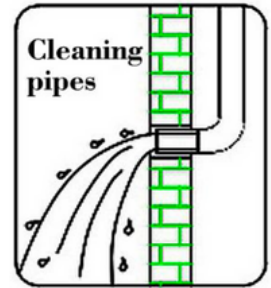

Installation Instructions

Pre-installation Notes

This product has been inspected and calibrated by the factory to the best condition. Please do not disassemble and assemble it yourself.

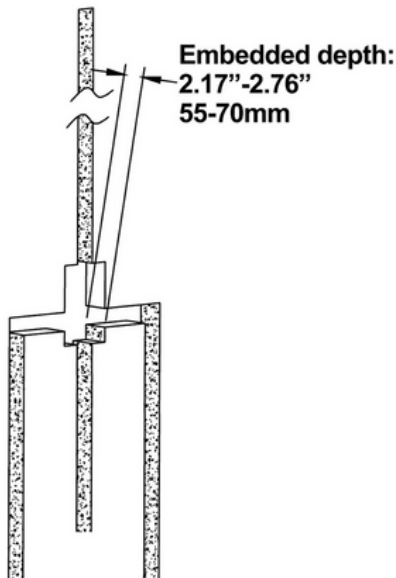

Before installing the faucet, please be sure to remove sundries and sludge from the water pipe to prevent sundries from blocking the faucet.

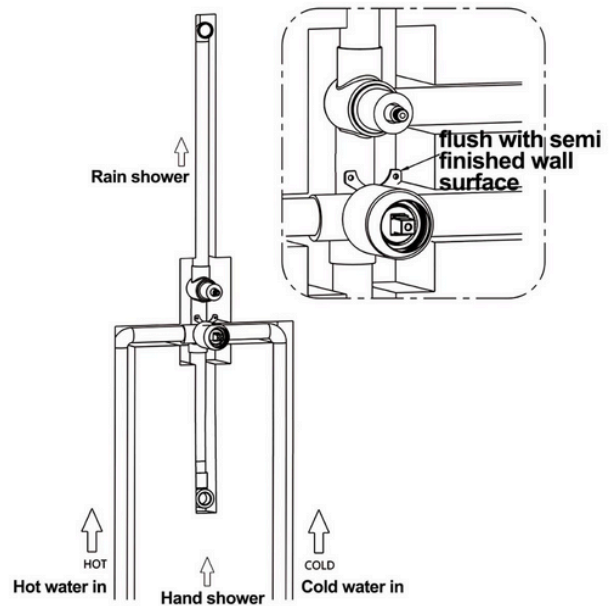

Installation Steps

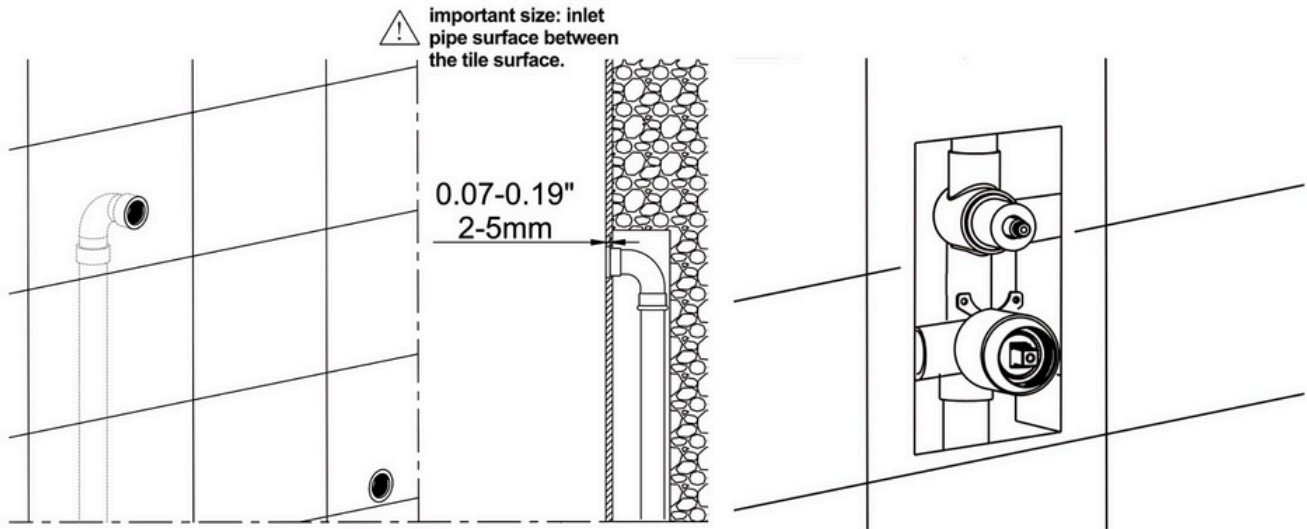

1. Dig pipe grooves for pre-burying the pipes.

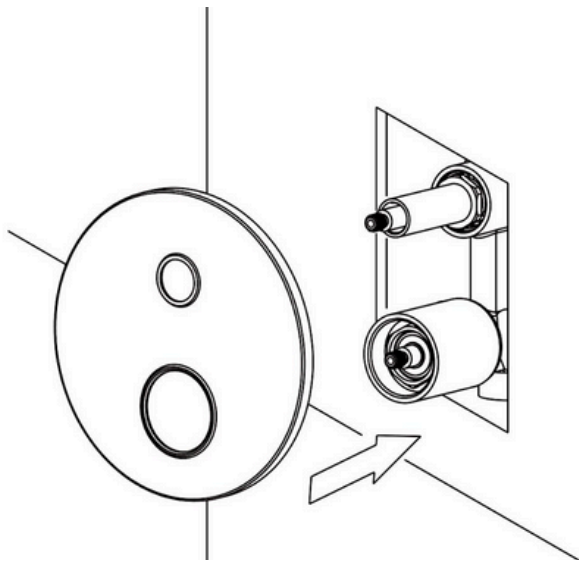

2. Install main body and inlet pipe.

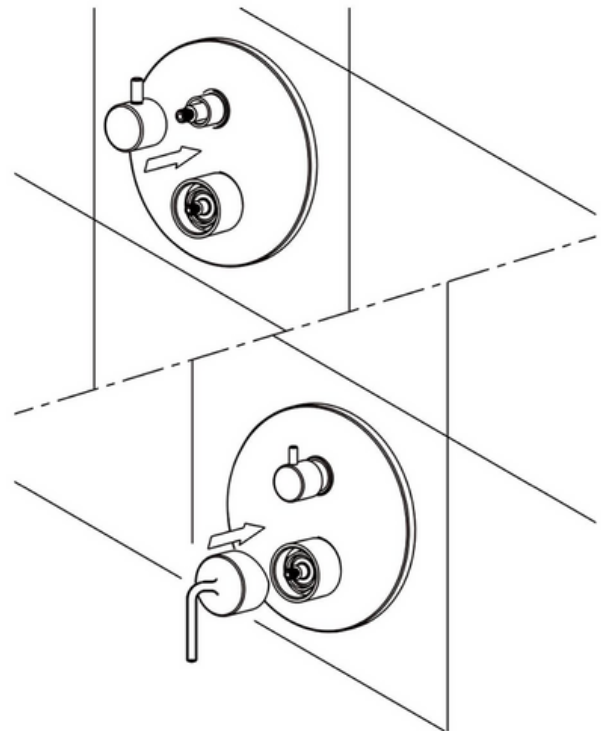

3. Make sure the inlet pipe surface slightly below the tile surface/finished wall surface.

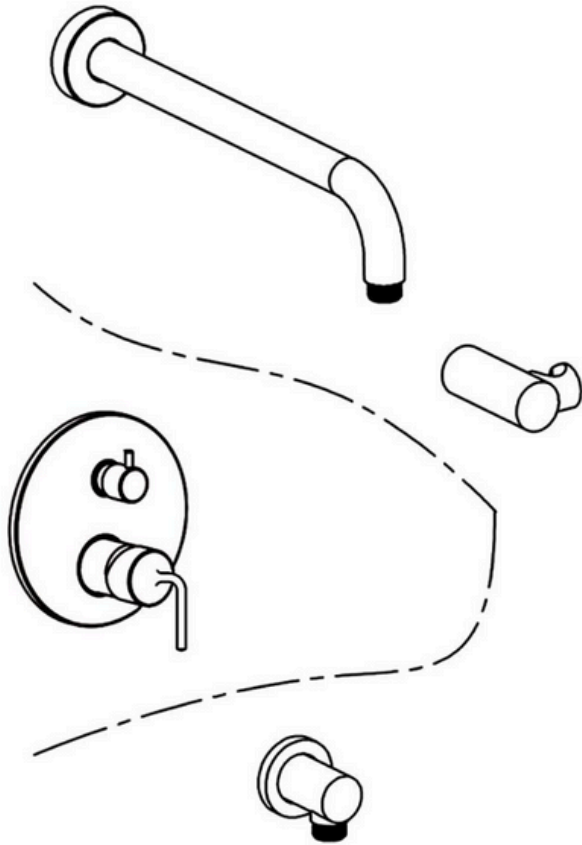

4. Install the trim plate.

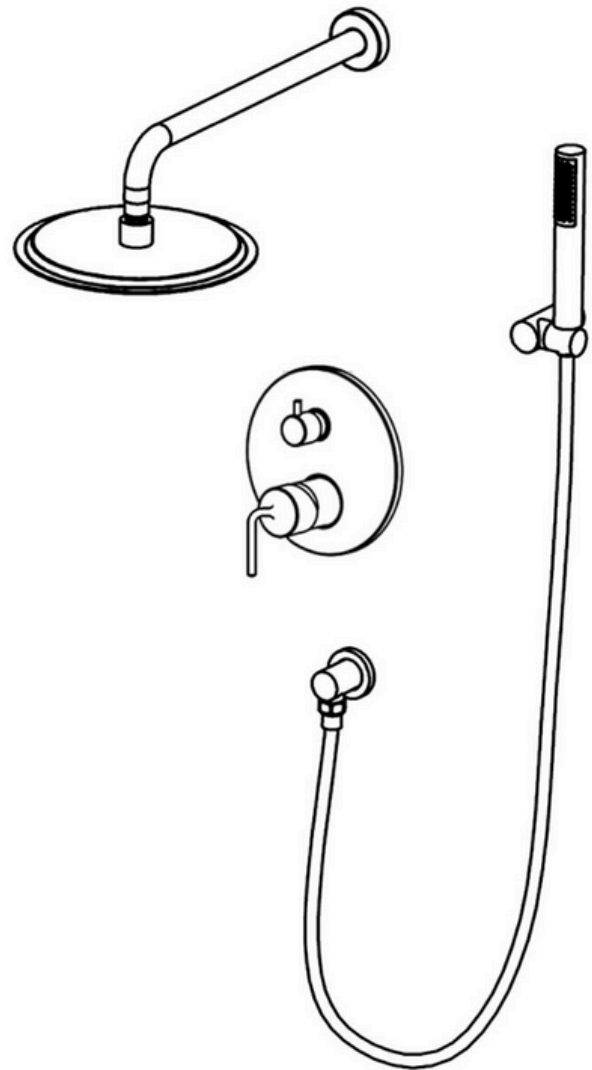

5. Install diverter and handle.

6. Mount Holder for top sprayer, outlet for top sprayer, and holder for hand held sprayer. Wind teflon tape around screw.

7. Mount Top sprayer and Handheld sprayer.

Care Instructions

In order to keep the appearance of faucet clean, bright and good performance, please take care of the faucet as follows:

- Rinse with water only and dry with soft cotton cloth.
- Use mild liquid and colorless glass cleaner to remove surface dirt and scale film, or use polish without abrasive effect.
- Do not use abrasive detergent, polish, emery cloth, paper towel or scraper, etc.
- Do not use acid cleaner, or cleaner and soap with insoluble granules etc.
- In the process of use, mud may accumulate in the bubbler and make the water flow slow. The bubbler can be unscrewed, rinsed with water, and then installed back in place.
